

Design & Technology Revision

Other Key Information:

1. Technology Student Website

This link may assist you with the revision of key areas of the course. It includes all focus areas and there are some good example questions that you could try.

http://www.technologystudent.com/despro_fish/NEW_GCSE3.html

2. CGP Revision Guide

You can also purchase a very good revision guide that includes all of the subject content. It also includes a range of example questions.
