29 March 2021

Dear Parent/Guardian

Human Papillomavirus (HPV) Vaccine

Your child is now due their second and final dose of HPV vaccine (or for girls, if over 15 when starting the course, her third and final dose) to complete the programme. Please see the date below when we will be delivering this in school.

School: Gillingham School

Date of Session: Wednesday 21 April 2021 and Thursday 22 April 2021

Please could you inform us as soon as possible if there have been any changes to your child's health since they received their first dose, or if your child has received their second dose elsewhere (i.e. GP surgery), by contacting the Immunisation Team on **01425 891162** or emailing dhc.immsenquiries@nhs.net

We will be using the consent form completed prior to their first dose, as per national policy.

For further information go to <http://www.nhs.uk/hpv>

Yours faithfully

Angela Cosser
Clinical Immunisation Lead
Dorset School Age Immunisations Team
