

Dear Parent/Guardian,

On Friday 6<sup>th</sup> October, the National Citizen Service (NCS) will be at Gillingham School to deliver an assembly to all students in Year 11. This is to introduce the opportunities available to them in the summer of 2018

NCS is an experience you really don't want your child to miss out on. It is a fantastic chance for them to embark on exhilarating challenges, make their mark and build skills for work and life. More than 300,000 teenagers have already said YES to NCS.

NCS takes place in your local community outside of term time during the summer holidays, so no matter what their commitments are or what holiday plans they might have, just register and we'll get them on the next available NCS spot.

Once they've secured a place, a local NCS provider will contact you to discuss things further and to answer any other questions you have about NCS or the programme.

Let's face it – life's too short to be stuck indoors. So why not kick-start their future with an experience they'll never forget! The Government invests at least £1,300 for each young person to take part but thanks to government backing, the most you'll ever pay for this unbeatable experience is £50. This cost could be less or even free depending on your circumstances and local NCS provider.

To find out more or to sign up please visit our website [www.ncsyet.co.uk](http://www.ncsyet.co.uk) or call our communications centre on '0800 197 8010'. The communications centre is open 9am-9pm, Monday to Sunday.

Parents you can find out more information by following this link: <http://www.ncsyet.co.uk/ncs-for-your-teen>

Best wishes,

NCS Southwest team
