Dear Parents / Guardians

We are delighted to be able to invite you to our;

SIXTH FORM INFORMATION EVENING - Wednesday 18th October 2017

With your son/daughter in their second year of GCSE courses, crucial decisions have to be taken about continuing education and what courses to follow. With more and more students continuing into the Sixth Form, we will be trying to help you in that decision making process and the first step is the Information Evening.

Due to the popularity of Gillingham Sixth Form we will be splitting the evening into two sessions. You therefore have a choice of start time: either **5:30pm** or **6:30pm**.

Please join us for refreshments in the Sixth Form Canteen from 5pm and then take part in the rest of, what we hope will be, an enjoyable and informative evening.

Each session will start in the school's main hall and will include presentations and information from the school's Head Teacher, the Heads of Sixth Form and some of our students. We will cover the current national picture in Post-16 education, courses offered at Gillingham School and the enrichment and support that we offer.

Following each session there will be the opportunity to view our excellent facilities; to meet with subject staff, who can answer specific queries about their subjects and what is involved in studying them, and to see displays of student work and course resources.

Throughout the evening current Gillingham Sixth Form students will be on hand to act as guides and answer your questions. The Sixth Form staff team will also be available in the Sixth Form canteen to take your questions.

We hope very much that you will be able to join us on the night and look forward to meeting you. In the meantime if you do have any questions or queries please do not hesitate to contact us at school.

Yours sincerely

Mr Tim Godfrey

Mrs Natalie Cross
