

## HOME LEARNING / INDEPENDENT STUDY TIMETABLE 2020/21: YEAR 11

Year 11 students will usually be set two independent study / home learning tasks per day, although subjects may sometimes combine consecutive slots into a single longer assignment. Your teachers will not usually ask for home learning to be completed for the next day; this will give you the chance to plan your time carefully. Please make sure that you record the subject set and the deadline in your planner/diary. Details of the task set will appear as an 'assignment' on Teams.

Please look at your printed timetables or check with your teachers for clarification of groups (A/B/C/D/P/Q/R)
