**In what way does your application demonstrate 'enterprise'. To be enterprising means to be imaginative and resourceful and an enterprising project would be something adventurous and challenging. Not something you will find easy, but something that you would find difficult and that would improve your experience or abilities or skills in some way.**

**What other avenues have you pursued to make it work?**

**Either/or**

**What commitment have you made to it so far and how would this award help you to pursue it?**
