How do I activate an account?

This guide is to help students complete their options online, so that the school can allocate class places and build timetables for the upcoming school year. Your school email account can be accessed from any computer by going to https://mail.gillingham-dorset.co.uk/owa and signing in with your school username and password.

1. You will receive a registration email from noreply@sims.co.uk containing a unique invitation code. You will need this code to set up your SIMS Option Online Services account. If you have not yet received a registration email, please check your SPAM folder before contacting school.

Hi Simply accept this invital	tion and register within 90 days.
