

Summer work for A Level Fine Art students:

All work below can be completed from the internet if you cannot visit the exhibition, but it is preferable to go and see the artwork firsthand.

Visit Hauser & Wirth Somerset, located in Bruton. The exhibition is free, please check the gallery for opening times. If you visit the exhibition (we are very much hoping you will), try and complete your drawings in the galleries.

Watch the film in the gallery/online, and make notes about areas that interest you, ideas it leads you to, or questions you might have.

Create 3 quick pencil sketches of work.

Create 2 tonal drawings of work.

Create a colour piece responding to the work.

Create a set of photographs inspired by the work.

Create a piece of sculpture, in any relevant media that responds to the work of the artist/s.
